

# Valentine's Day

## CVC BOARD GAME

## HAPPY TEACHING!

**PREPARATION:** Print the colour or black and white pages. I suggest printing the die onto cardstock so it stays firm when constructed. Follow the instructions for putting it together.

1. Put counters on GO.
2. Roll the die (numbers 1-3 only).
3. Move your counter.
4. Say the word you land on.
5. Take it in turns till you get to STOP.

Allow kids to help each other if they're just new to sounding out CVC words.

Please do not send this file to others, but direct them to Liz's Early Learning Spot where they can download it for themselves! Thank you.

I hope your little ones enjoy this activity and wish you happy teaching and learning!
